

The P & C of Northgate State School supports a Student Dress Code Policy as it promotes the objectives of the *Education (General Provisions) Act 2006*, and in particular that it:

- promotes a safe environment for learning by enabling ready identification of students and non-students of the school;
- promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at the school;
- promotes a supportive environment at the school by fostering a sense of belonging;
- fosters mutual respect among individuals at the school by minimising visible evidence of economic, class or social differences.

The Northgate State School P & C Association have endorsed this policy.

- We are proud of our students and our school. Our children will develop this pride by the full time wearing of uniforms.
- All students are expected to wear school uniform every day.
- Uniforms are to be worn on all excursions unless specifically notified otherwise.
- It is expected that all students will wear blue school bucket hat at all times during playtime and external activities including before and after school.
- Parents are encouraged to send sun screen for the use of their own child.
- Parental cooperation in supporting this Dress Code Policy is greatly appreciated.

The school Uniform Shop is open Friday 8.15-9.00am(except during school holidays).
