

SCHOOL CHAPLAIN

Stephanie Kuchel

Hi, my name is Steph, or Chappy Steph as I get called at school.

My job here at Northgate is to provide social, emotional, educational and spiritual support. That can be through one-on-one time with a student or a group program where students can grow together. All one-on-one support requires parent permission after the first session, group work will require a separate permission form.

I enjoy popping into classrooms and being involved with school events, supporting the school community is an important part of my role.

I have a Certificate 4 in Youth Work and Diploma of Ministry. With my free time I enjoy going out for coffee with friends and sometimes even performing in musicals.

Feel free to come and speak to me if you have any questions or just need someone to talk to.

Available - Wednesday and Friday
