

Investing for Success

Under this agreement for 2022 Northgate State School will receive

\$111 776*

This funding will be used to

- Achieve the specific goals as outlined on our 2022 Annual Improvement Plan.
- Provide targeted support for students through coaching and co-planning for classroom differentiation practices
- Provide focussed supports for Prep – Year 1 students requiring additional Oral Language intervention to support literacy development.

Our initiatives include

Quality Curriculum: Consistency of high quality teaching practice in the delivery of 'writing', specific focus on learning walls to develop assessment-literate learners.

Pedagogical Practices: Tailored Professional Development to build teachers capacity in the delivery of the Maths curriculum

Connected Student: Develop and implement a Connected Student Framework, Connect to Self, Place and Others through embedding Cross-Curricula Priorities and General Capabilities.

Engaging All Students For Learning: Building the capacity of teachers to differentiate student learning engagement.

Our school will improve student outcomes by

Actions	BUDGET
Prep Transition Program: Supporting the transitions of students from kindy to Prep in 2023 through visits to kindy, pre-prep parent conversations, targeted student transition mornings and early years coaching for Prep and Year 1 teachers.	\$3 500
